

United Kingdom's British government indolence, negligence, dishonesty, inanity and corruption.

Hello British-Brits of UK's judiciary, government bodies and councils,

In United Kingdom, according to the typically lying British Police, physical assault by British landlords against tenants indoors is acceptable (http://www.kyrkor.be/2020-06-12_Letter-to-UK-Secretaries-of-Justice-Health-Housing-Policing.pdf), but peaceful distribution of the Gospel message outdoors is not (http://www.kyrkor.be/2020-07-05_Letter-to-British-West-Mercia-Police.pdf). Also in United Kingdom, the very-British Britons at British county council governments provably lie, and consequently, none of UK's British councils government apes (http://www.kyrkor.be/2020-09-08_British-Britons_of_lying_county-councils_and_British-governments-apes.pdf), nor UK's British courts or judiciary, nor the British public services (http://www.kyrkor.be/2020-09-08_UK_British-Courts-and-judiciary_of_British-Brits_snuub_Torsten.pdf), are willing to communicate.

Since June 19 2020, I have daily sought to appeal a decision by Wychavon District Council regarding the very-British county council's refusal of access to emergency social housing, due to homelessness in relation to United Kingdom. Since June 23 2020, I have been homeless in relation to United Kingdom. My eviction date in United Kingdom was June 24 2020.

None of United Kingdom's contacted county courts or judiciary, and none of UK's contacted government bodies will communicate.

I am interested to understand why the British county councils, and the British county courts, and the British government bodies absolutely refuse to communicate?

Best regards,

In email produced on June 15 2020 by the corrupt and inane British council of very-British staffs, the dishonourable-British senior housing officer Jake Nightingale, and the dishonourable-British assistant Kate Cottrill, Wychavon District Council declared "*You are not eligible for assistance.*"

In email produced on May 22 2020 by your dishonourable-British council assistant Kate Cottrill, **without proper investigation or extensive enquiry**, Wychavon District Council declared "*Following careful and extensive enquiries based upon the information you have given us, I am writing to inform you that we have decided the following; You are not eligible for assistance.*"

In email produced on May 19 2020 by your dishonourable-British council assistant Kate Cottrill, Wychavon District Council declared "*We would not be able to put a time limit on a move however it could take several months to be allocated a social housing property.*"

Within the time span of **3 days**, between council's case initiation on May 19 2020 and council's case conclusion on May 22 2020, the corrupt and inane British council of very-British staffs pretended to have made "*careful and extensive enquiries*", whilst admitting that normal case procedure "*could take several months*".

After the time span of **20 days**, between council's confirmation of initiation of a case review on May 26 2020 and council's conclusion of its review on June 15 2020, the corrupt and inane British council of very-British staffs, did not once contact or communicate with Torsten Nenzen. The corrupt and inane British council of very-British staffs **explicitly lied** through council's false statement:

"We have requested further information [lie #1] around your income and address history and have been unable to receive a response [lie #2] as you are not prepared to disclose/provide the necessary information [lie #3]."

Firstly, concerning British **lie#1**, the corrupt and inane British council of very-British staffs absolutely lied that British council would have requested further information from me. The British council has never sent an email or postal letter to Torsten Nenzen. On June 2 2020, corrupt and inane Wychavon District Council of very-British staffs were clearly instructed by Torsten Nenzen: "*Please send an email to me with your requests.*" The dishonourable British council staffs have never contacted Torsten Nenzen and have never requested any further information from Torsten Nenzen.

Secondly, concerning British **lie#2**, the corrupt and inane British council of very-British staffs intentionally lie that British council would be unable to receive a response from Torsten Nenzen. If the corrupt and inane British council would have bothered to contact Torsten Nenzen as instructed, then the dishonourable British council would have received a response from Torsten Nenzen. The typically corrupt and inane British council of very-British staffs have sought to misrepresent and distort reality through its utter British lies.

Thirdly, concerning British **lie#3**, the corrupt and inane British council of very-British staffs purposefully and maliciously lie that Torsten Nenzen would be unprepared to disclose necessary information. The typically corrupt and inane British council of very-British staffs lied: *"You are not prepared to disclose/provide the necessary information."* Because the corrupt and inane British council has refused to communicate with Torsten Nenzen, the lying British staffs of its corrupt and inane British council has logically failed communication with Torsten. If the dishonourable British council liars would instead have contacted Torsten with requests for information, then Torsten would be able to supply the British governmental liars with information accordingly.

QUESTION:

Why did Wychavon & Malvern District Council refuse to communicate with Torsten Nenzen with any requests for specific information?

In assessment of the outcome of review decision forwarded by email to Torsten Nenzen on June 15 2020 by corrupt and inane Wychavon & Malvern District Council's dishonourable British liars, it is apparent that British local governments have zero interest in truth.

In United Kingdom according to British Police, **physical assaults by British landlords against tenants** indoors is acceptable (<https://bit.ly/2BYesFI>), but peaceful distribution of the Gospel outdoors is not (<https://bit.ly/3d3lcPh>).

As a characteristically contravening, indolent and negligent local government authority British ape, on this occasion at Wychavon & Malvern District Council, a very-British Ms. Kate Cottrill flagrantly exemplified grave contravention of The Housing Act 1996, with apish disregard to obtainable facts and evidences, and omission of objective or reasonable consideration to both legal and justifiable process, and wilfully ignoring that a settled individual indeed

factually is threatened with possible homelessness in United Kingdom.

Housing Act 1996 Pt 7 Section 184

<http://www.legislation.gov.uk/ukpga/1996/52/part/VII>

184 Inquiry into cases of homelessness or threatened homelessness.

(1) If the local housing authority have reason to believe that an applicant may be homeless or threatened with homelessness, they shall make such inquiries as are necessary to satisfy themselves—

(a) whether he is eligible for assistance, and

(b) if so, whether any duty, and if so what duty, is owed to him under the following provisions of this Part.

(2) They may also make inquiries whether he has a local connection with the district of another local housing authority in England, Wales or Scotland.

In my examination of the declared reasons for this contravening, indolent and negligent decision by local government authority (Wychavon District Council), the beneath objections and comments should be reconsidered by the Wychavon District Council British, towards a legally compliant, factually robust and intelligent review of your initially apish decision.

Council: *"You advised me that your friend Dr Jan who is the named tenant has handed his notice in"*

Objection: Although Dr. Jan's personal documents have always been readily accessible in a neat large pile on top of a kitchen chair at 45 Coppice Way, I have never read any personal documents belonging to Dr. Jan unless Dr Jan has specifically requested that that I read something. Unlike government surveillants, I never snoop on a friend, but I respect a friend's personal privacy and integrity. On May 13 2020, Dr. Jan instructed me to commence process with requests for terminations of all utility services for 45 Coppice Way. Dr. Jan granted to me permission to go through his pile of documents and letters in order to access necessary details of information, and thus to carry out his instruction. On May 14 2020, therefore, I began to sort through the pile, and photo documenting relevant papers for this specific instruction. One of the documents pertained to Ministry of Housing with a confirmation of date of leave as June 24 2020. On May 17 2020, I received authorization from Dr. Jan to forward those two Ministry of Housing photos to Wychavon Council for my personal homelessness application. On May 18 2020, I emailed the two photos of the Ministry of Housing confirmation of the date of leave as June 24 2020. However, not until after May 18 2020 did I actually read the page two of the Ministry of Housing confirmation of date to leave. In my previous understanding, I had understood that Dr. Jan had been requested to leave on June 24 2020 due to the Landlord's displeasure with a month's unpaid rent. Not until after having sent the two Ministry of Housing photos to Wychavon

Council confirming the date of requested leave as of 24 June 2020, did I read the second page, where it appears that Dr. Jan might have requested "early release" from the housing contract. If that second page document description is accurate, that Dr. Jan would himself have requested to terminate the housing contract, then this is a piece of information which I had previously been entirely uninformed about. The information offered to me previously is that Dr. Jan's housing contract was being terminated on June 24 2020 by the Landlord, due to Dr. Jan's financial incapacity to fully pay a month's rent at specified time.

Council: *"You advised me that your parent lives in Cumbria however you did not state whether this was your mother or father. You did not provide me with their name or address. You advised that you have no relationship with them"*

Objection: This claim by Council that I would have said that my parents live in Cumbria is blatantly untrue. I said clearly, that I grew up in British Columbia, in Canada. I said that I do not have much relational ties with my father, who is a Canadian/Swedish citizen living in British Columbia. I informed via link (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>) that my mother deceased in Canada in 2018. Of course, the indolent and negligent local government apes failed not only to listen carefully, but the local British government apes failed also to perform any reasonable degree of necessary reading or required intellectual work, but Wychavon Council apes instead falsely claimed to have made extensive enquiries. Further, the indolent and negligent local British government apes have never bothered to ask me to provide the name or address of my father. If the local government British ape had bothered to ask, then I would have been able to provide that answer.

Council: *"You advised me that your income is from a disability benefit which is paid from Sweden into a Swedish bank account however you have failed to provide me with your Swedish bank statements"*

Objection: On May 18 2020 by email, I informed Wychavon Council the following true statement *"I tried to secure-log-in today to the social security in Sweden, who pays my approximately £700 monthly disability, but their website login was not working (presumably temporarily - just like Zoom is currently dysfunctional as of yesterday). Therefore, I cannot produce any document affirming my £700/month payment from Sweden. However, attached is a copy (in Swedish) of a reply from their HQ regarding my question if I can retain my Swedish social security benefit while obtaining social housing in the UK."* Furthermore, Wychavon Council did not specifically request a statement from a Swedish bank, but the exact requests by Wychavon Council were (1) evidence of the benefit that you are in receipt of from Sweden, and (2) 2 months bank statements. On

May 18 2020 I had provided to Wychavon Council bank statements from the only bank account which I have in United Kingdom.

Council: Wychavon Council alleges that an anonymous and unidentifiable Landlord has no knowledge of Torsten Nenzén living at the address 45 Coppice Way. Wychavon Council wrote "*The landlord has no knowledge of you living at 45 Coppice Way.*"

Objection: Firstly, why do local government British apes attribute value or credibility to a source who is apparent to you as unidentifiable and anonymous? Secondly, by evidence provided in the previously forwarded PDF-document (2020-05-08 Letter to United Kingdom Secretaries of Justice and Health.pdf) to Wychavon Council, Wychavon Council had obtained evidence that the Landlord had been made fully aware at latest on May 7 2020, in conjunction with this Landlord's violent physical assault against Torsten Nenzén inside Torsten Nenzén's home of 45 Coppice Way, that Torsten Nenzén in fact is living at 45 Coppice Way.

Council: "*The landlord was of the understanding that you were staying there while trying to get a flight back to Sweden.*"

Objection: I have a scheduled essential medical appointment in ophthalmology at an eye clinic outside of United Kingdom, to which it would be regarded as medically negligent of me to not present myself timely, as part of necessary medical procedure. I have advised NHS that cooperation with this eye clinic in Europe could be established through Optos imagery within UK (<https://www.optos.com>), but the NHS has not responded affirmatively to this suggestion of transferring digital Optos imagery from UK's NHS to an eye clinic in Europe.

Council: "*I have checked the council tax records for the following address - Westfield, Church Lane, Tibberton, Droitwich, Worcestershire, WR9 7NW / 34A, Shrubbery Road, Drakes Broughton, Pershore, Worcestershire, WR10 2BA / 45 Coppice Way, Droitwich, Worcestershire, WR9 9JB. You are not named on any of the council tax records and you are not mentioned in any of the system notes therefore I have no reason to believe you have been living at any of those addresses.*"

Objection: Although Wychavon Council has removed my details from further Wychavon Council harassments of Council threatening coercion for its residents to vote for your pathetic politicians, that does not correlate correctly with reality through your apishly perceived deduction that I do not live at the address 45 Coppice Way. I still do live here. Now.

Thank you for your explanatory reply letter concerning invitation to participate in elections.

Again, due to Wychavon District Council **threat** of an £80 fine if I were to not respond to your invitation, I wish to abstain from all participation in any political elections in United Kingdom.

Please confirm that neither Wychavon District Council, nor any other UK government electoral entity, will again contact me coercively regarding any future political elections.

I hereby deem that this my final response to Wychavon District Council's threat is sufficient, and legally binding.

Thank you.

Council: *"There is no proof of any rent being paid neither is there any evidence of any other transactions"*

Objection: Of course there is no rent being paid my me to my friend Dr. Jan, who is the contracted tenant. I have clearly declared to Wychavon Council previously that I have never paid moneys to Dr. Jan for my room accommodations with Dr Jan, as we helpfully simply sort those matters between ourselves.

Council: *"I therefore have no reason to believe that you have had settled accommodation at any of the addresses that you have provided, meaning that you have no ties within the UK."*

Objection: This concluding remark by Wychavon District Council underscores the characteristically contravening, indolent and

negligent local government authority by its British local government apes. Evidence and facts, however, disprove these beliefs of Wychavon District Council. Additionally, I advised Wychavon District Council to extract details from Home Office. It appears that you have not done so. On May 21 2020, I wrote the following to Wychavon Council: *"Regarding my travel history, I would advise that Wychavon District Council might want to request the exact dates of my entries and exits of UK directly from the Border Force of Home Office, as I personally do not keep a perfect record of those dates. They, however, do. For a broad overview of the whereabouts of my travels and my border crossings outside UK, you will be able to glean a sufficient understanding by reading the history of my public update of locality from the history of bi-monthly letters, here: http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf"*

Homelessness Reduction Act 2017

Outcome of Review Decision

Mr Torsten Nenzen

(By e-mail only)

15th June 2020

The Housing Act 1996 Part 7

Mr Nenzen,

Thank you for your e-mail dated the 26th May 2020 confirming that you would like to request a review of the initial decision made by Wychavon DC.

The decision made on your homeless application is a not eligible one as you do not have access to public funds and therefore not meeting the eligibility criteria. We have requested further information around your income and address history and have been unable to receive a response as you are not prepared to disclose/provide the necessary information.

I believe the decision of the not eligible one is correct and therefore upheld based on the information available.

Please find the initial decision letter below, this was sent to you on the 26 ay 2020

"You are not eligible for assistance.

The reasons for this decision are as follows:

We had a telephone triage appointment on 18th May 2020 and you advised me of the following:

- *You have been living with your friend Dr Jan since January 2010. You state that you have lived at the following addresses with Dr Jan as a lodger: Westfield, Church Lane, Tibberton, Droitwich, Worcestershire, WR9 7NW from 01/01/2010 until 30/03/2018 / 34A, Shrubbery Road, Drakes Broughton, Pershore, Worcestershire, WR10 2BA from 01/04/2018 until 29/07/2018 / 45 Coppice Way, Droitwich, Worcestershire, WR9 9JB from 30/07/2018 and this arrangement will be ending in June 2020*

- You stated that you do not have a lodgers agreement, that you do not pay rent and described it as a friendly arrangement
 - You advised me that your friend Dr Jan who is the named tenant has handed his notice in
 - You advised me that your parent lives in Columbia however you did not state whether this was your mother or father. You did not provide me with their name or address. You advised that you have no relationship with them
 - You confirmed that you have not undertaken any paid work since living in the UK
 - You advised me that your income is from a disability benefit which is paid from Sweden into a Swedish bank account however you have failed to provide me with your Swedish bank statements
 - You told me that you travel a lot and that you have recently travelled to Sweden for 14 days
- I have made the following enquires into your application:

- I contacted the landlord on the email address that you provided - ngjones7@btinternet.com. A lady who claimed to be the landlord called me to discuss the tenancy agreement at 45 Coppice Way, she did not wish to give her name. I can confirm that you are not named on the tenancy and you are not a permitted tenant. The landlord has no knowledge of you living at 45 Coppice Way. The landlord was of the understanding that you were staying there while trying to get a flight back to Sweden. The landlord has confirmed that Dr Jan has handed his notice in and the keys are due to be handed back on 24th June 2020

- I have emailed Dr Jan on the email that you provided - jandoctor1@gmail.com - however I did not receive a response. I have not had confirmation that you have lived with Dr Jan during the period of time that you claim you have neither do I have any confirmation that you are living at 45 Coppice Way at present

- I have checked the council tax records for the following address - Westfield, Church Lane, Tibberton, Droitwich, Worcestershire, WR9 7NW / 34A, Shrubbery Road, Drakes Broughton, Pershore, Worcestershire, WR10 2BA / 45 Coppice Way, Droitwich, Worcestershire, WR9 9JB. You are not named on any of the council tax records and you are not mentioned in any of the system notes therefore I have no reason to believe you have been living at any of those addresses. The council tax records confirmed Ebrahim Jan was registered at Westfield. Ebrahim Jan has never been registered at 34A Shrubbery Road and you did not disclose living with any other friends. Council tax confirms that Ebrahim Jan is registered at 45 Coppice Way however no information has been disclosed about you.

- I have looked through the bank statements that you provided me with and your only incoming money is a bank transfer from Dr Jan. There is no proof of any rent being paid neither is there any evidence of any other transactions

I therefore have no reason to believe that you have had settled accommodation at any of the addresses that you have provided, meaning that you have no ties within the UK.

We advise that you have the right to seek independent legal advice. You can contact The Citizen Advice Bureau."

I have attempted to contact you several times on the number you provided on your homeless application to discuss the decision letter, giving you the opportunity to challenge any of its content.

Should you wish to discuss this further please contact myself on 01386 565256. If you am unable to answer the call because I am on another line please leave a message and I will return your call at the earliest opportunity.

Right to Appeal Housing Act 1996 Part 7 s.204

If you are dissatisfied with this decision, you have a right of appeal to the County Court on a point of law. The appeal must start within 21 days of receipt of this notice. If you require assistance with an appeal you should seek legal advice from an appropriate agency such as the Citizen's Advice Bureau, a Law Centre or your own Solicitor.

Electoral Services Manager.

Good day,

Honestly, the manner in which your British local government apes conduct your registers, or operate your intellects, is unimpressive. Civilized peoples, however, figuratively frown over your British governmental apishness.

If you were to have anything intelligent to query or discuss with me, then you may. Otherwise, please keep within your governmental shrewdness.

Good Morning

With regards to the register of electors I can see that you made an unsolicited application to register on the register of electors on 28 August 2019 for 45 Coppice Way however the information we required to enable us to verify the application was never supplied therefore you have never been registered at 45 Coppice Way. Your unverified application was then deleted on your request.

On 4 October 2019 the occupier of 45 Coppice Way returned the annual household enquiry form which did not include your name as residing at that address.

You have never been verified and linked to the register of elector for this address.

Regards

Elaine

Wychavon & Malvern District Council

Regarding application for (emergency) social housing in United Kingdom.

In email produced by your council worker Ms. Cottrill on May 19, Wychavon District Council declared "*We would not be able to put a time limit on a move however it could take several months to be allocated a social housing property.*"

In email produced by your council worker Ms. Cottrill dated May 22, only three days later and not several months onward, and without proper investigation or extensive enquiry, Wychavon District Council declared "*Following careful and extensive enquiries based upon the information you have given us, I am writing to inform you that we have decided the following; You are not eligible for assistance.*"

As a characteristically contravening, indolent and negligent local government authority British ape, on this occasion at Wychavon & Malvern District Council, a very-British Ms. Kate Cottrill flagrantly exemplified grave contravention of The Housing Act 1996, with apish disregard to obtainable facts and evidences, and omission of objective or reasonable consideration to both legal and justifiable process, and wilfully ignoring that a settled individual indeed factually is threatened with possible homelessness in United Kingdom.

Housing Act 1996 Pt 7 Section 184

<http://www.legislation.gov.uk/ukpga/1996/52/part/VII>

184 Inquiry into cases of homelessness or threatened homelessness.

(1) If the local housing authority have reason to believe that an applicant may be homeless or threatened with homelessness, they shall make such inquiries as are necessary to satisfy themselves—

(a) whether he is eligible for assistance, and

(b) if so, whether any duty, and if so what duty, is owed to him under the following provisions of this Part.

(2) They may also make inquiries whether he has a local connection with the district of another local housing authority in England, Wales or Scotland.

In my examination of the declared reasons for this contravening, indolent and negligent decision by local government authority (Wychavon District Council), the beneath objections and comments should be reconsidered by the Wychavon District Council British, towards a legally compliant, factually robust and intelligent review of your initially apish decision.

Council: "*You advised me that your friend Dr Jan who is the named tenant has handed his notice in*"

Objection: Although Dr. Jan's personal documents have always been readily accessible in a neat large pile on top of a kitchen chair at 45 Coppice Way, I have never read any personal documents belonging to Dr. Jan unless Dr Jan has specifically requested that that I read something. Unlike government surveillants, I never snoop on a friend, but I respect a friend's personal privacy and integrity. On May 13 2020, Dr. Jan instructed me to commence process with requests for terminations of all utility services for 45 Coppice Way. Dr. Jan granted to me permission to go through his pile of documents and letters in order to access necessary details

of information, and thus to carry out his instruction. On May 14 2020, therefore, I began to sort through the pile, and photo documenting relevant papers for this specific instruction. One of the documents pertained to Ministry of Housing with a confirmation of date of leave as June 24 2020. On May 17 2020, I received authorization from Dr. Jan to forward those two Ministry of Housing photos to Wychavon Council for my personal homelessness application. On May 18 2020, I emailed the two photos of the Ministry of Housing confirmation of the date of leave as June 24 2020. However, not until after May 18 2020 did I actually read the page two of the Ministry of Housing confirmation of date to leave. In my previous understanding, I had understood that Dr. Jan had been requested to leave on June 24 2020 due to the Landlord's displeasure with a month's unpaid rent. Not until after having sent the two Ministry of Housing photos to Wychavon Council confirming the date of requested leave as of 24 June 2020, did I read the second page, where it appears that Dr. Jan might have requested "early release" from the housing contract. If that second page document description is accurate, that Dr. Jan would himself have requested to terminate the housing contract, then this is a piece of information which I had previously been entirely uninformed about. The information offered to me previously is that Dr. Jan's housing contract was being terminated on June 24 2020 by the Landlord, due to Dr. Jan's financial incapacity to fully pay a month's rent at specified time.

Council: *"You advised me that your parent lives in Cumbria however you did not state whether this was your mother or father. You did not provide me with their name or address. You advised that you have no relationship with them"*

Objection: This claim by Council that I would have said that my parents live in Cumbria is blatantly untrue. I said clearly, that I grew up in British Columbia, in Canada. I said that I do not have much relational ties with my father, who is a Canadian/Swedish citizen living in British Columbia. I informed via link (<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>) that my mother deceased in Canada in 2018. Of course, the indolent and negligent local government apes failed not only to listen carefully, but the local British government apes failed also to perform any reasonable degree of necessary reading or required intellectual work, but Wychavon Council apes instead falsely claimed to have made extensive enquiries. Further, the indolent and negligent local British government apes have never bothered to ask me to provide the name or address of my father. If the local government British ape had bothered to ask, then I would have been able to provide that answer.

Council: *"You advised me that your income is from a disability benefit which is paid from Sweden into a Swedish bank account however you have failed to provide me with your Swedish bank statements"*

Objection: On May 18 2020 by email, I informed Wychavon Council the following true statement *"I tried to secure-log-in today to the social security in Sweden, who pays my approximately £700 monthly disability, but their website login was not working (presumably temporarily - just like Zoom is currently dysfunctional as of yesterday). Therefore, I cannot produce any document affirming my £700/month payment from Sweden. However, attached is a copy (in Swedish) of a reply from their HQ regarding my question if I can retain my Swedish social security benefit while obtaining social housing in the UK."* Furthermore, Wychavon Council did not specifically request a statement from a Swedish bank, but the exact requests by Wychavon Council were (1) evidence of the benefit that you are in receipt of from Sweden, and (2) 2 months bank statements. On May 18 2020 I had provided to Wychavon Council bank statements from the only bank account which I have in United Kingdom.

Council: Wychavon Council alleges that an anonymous and unidentifiable Landlord has no knowledge of Torsten Nenzén living at the address 45 Coppice Way. Wychavon Council wrote *"The landlord has no knowledge of you living at 45 Coppice Way."*

Objection: Firstly, why do local government British apes attribute value or credibility to a source who is apparent to you as unidentifiable and anonymous? Secondly, by evidence provided in the previously forwarded PDF-document (2020-05-08 Letter to United Kingdom Secretaries of Justice and Health.pdf) to Wychavon Council, Wychavon Council had obtained evidence that the Landlord had been made fully aware at latest on May 7 2020, in conjunction with this Landlord's violent physical assault against Torsten Nenzén inside Torsten Nenzén's home of 45 Coppice Way, that Torsten Nenzén in fact is living at 45 Coppice Way.

Council: *"The landlord was of the understanding that you were staying there while trying to get a flight back to Sweden."*

Objection: I have a scheduled essential medical appointment in ophthalmology at an eye clinic outside of United Kingdom, to which it would be regarded as medically negligent of me to not present myself timely, as part of necessary medical procedure. I have advised NHS that cooperation with this eye clinic in Europe could be established through Optos imagery within UK (<https://www.optos.com>), but the NHS has not responded affirmatively to this suggestion of transferring digital Optos imagery from UK's NHS to an eye clinic in Europe.

Council: "I have checked the council tax records for the following address - Westfield, Church Lane, Tibberton, Droitwich, Worcestershire, WR9 7NW / 34A, Shrubbery Road, Drakes Broughton, Pershore, Worcestershire, WR10 2BA / 45 Coppice Way, Droitwich, Worcestershire, WR9 9JB. You are not named on any of the council tax records and you are not mentioned in any of the system notes therefore I have no reason to believe you have been living at any of those addresses."

Objection: Although Wychavon Council has removed my details from further Wychavon Council harassments of Council threatening coercion for its residents to vote for your pathetic politicians, that does not correlate correctly with reality through your apishly perceived deduction that I do not live at the address 45 Coppice Way. I still do live here. Now.

Thank you for your explanatory reply letter concerning invitation to participate in elections.

Again, due to Wychavon District Council **threat** of an £80 fine if I were to not respond to your invitation, I wish to abstain from all participation in any political elections in United Kingdom.

Please confirm that neither Wychavon District Council, nor any other UK government electoral entity, will again contact me coercively regarding any future political elections.

I hereby deem that this my final response to Wychavon District Council's threat is sufficient, and legally binding.

Thank you.

Council: *"There is no proof of any rent being paid neither is there any evidence of any other transactions"*

Objection: Of course there is no rent being paid my me to my friend Dr. Jan, who is the contracted tenant. I have clearly declared to Wychavon Council previously that I have never paid moneys to Dr. Jan for my room accommodations with Dr Jan, as we helpfully simply sort those matters between ourselves.

Council: *"I therefore have no reason to believe that you have had settled accommodation at any of the addresses that you have provided, meaning that you have no ties within the UK."*

Objection: This concluding remark by Wychavon District Council underscores the characteristically contravening, indolent and negligent local government authority by its British local government apes. Evidence and facts, however, disprove these beliefs of Wychavon District Council. Additionally, I advised Wychavon District Council to extract details from Home Office. It appears that you have not done so. On May 21 2020, I wrote the following to Wychavon Council: *"Regarding my travel history, I would advise that Wychavon District Council might want to request the exact dates of my entries and exits of UK directly from the Border Force of Home Office, as I personally do not keep a perfect record of those dates. They, however, do. For a broad overview of the whereabouts of my travels and my border crossings outside UK, you will be able to glean a sufficient understanding by reading the history of my public update of locality from the history of bi-monthly letters, here: http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf"*

22nd May 2020

Dear Torsten Nenzen

The Housing Act 1996 Pt 7 Section 184 (3), (6)

Your request for assistance on 13th May 2020 under the above Act has been considered. Following careful and extensive enquiries based upon the information you have given us, I am writing to inform you that we have decided the following;

You are not eligible for assistance.

The reasons for this decision are as follows:

We had a telephone triage appointment on 18th May 2020 and you advised me of the following:

- You have been living with your friend Dr Jan since January 2010. You state that you have lived at the following addresses with Dr Jan as a lodger: Westfield, Church Lane, Tibberton, Droitwich, Worcestershire, WR9 7NW from 01/01/2010 until 30/03/2018 / 34A, Shrubbery Road, Drakes Broughton, Pershore, Worcestershire, WR10 2BA from 01/04/2018 until 29/07/2018 / 45 Coppice Way, Droitwich, Worcestershire, WR9 9JB from 30/07/2018 and this arrangement will be ending in June 2020

- You stated that you do not have a lodgers agreement, that you do not pay rent and described it as a friendly arrangement
- You advised me that your friend Dr Jan who is the named tenant has handed his notice in
- You advised me that your parent lives in Cumbria however you did not state whether this was your mother or father. You did not provide me with their name or address. You advised that you have no relationship with them
- You confirmed that you have not undertaken any paid work since living in the UK
- You advised me that your income is from a disability benefit which is paid from Sweden into a Swedish bank account however you have failed to provide me with your Swedish bank statements
- You told me that you travel a lot and that you have recently travelled to Sweden for 14 days

I have made the following enquires into your application:

- I contacted the landlord on the email address that you provided - nqjones7@btinternet.com. A lady who claimed to be the landlord called me to discuss the tenancy agreement at 45 Coppice Way, she did not wish to give her name. I can confirm that you are not named on the tenancy and you are not a permitted tenant. The landlord has no knowledge of you living at 45 Coppice Way. The landlord was of the understanding that you were staying there while trying to get a flight back to Sweden. The landlord has confirmed that Dr Jan has handed his notice in and the keys are due to be handed back on 24th June 2020
- I have emailed Dr Jan on the email that you provided - jandocor1@gmail.com - however I did not receive a response. I have not had confirmation that you have lived with Dr Jan during the period of time that you claim you have neither do I have any confirmation that you are living at 45 Coppice Way at present
- I have checked the council tax records for the following address - Westfield, Church Lane, Tibberton, Droitwich, Worcestershire, WR9 7NW / 34A, Shrubbery Road, Drakes Broughton, Pershore, Worcestershire, WR10 2BA / 45 Coppice Way, Droitwich, Worcestershire, WR9 9JB. You are not named on any of the council tax records and you are not mentioned in any of the system notes therefore I have no reason to believe you have been living at any of those addresses. The council tax records confirmed Ebrahim Jan was registered at Westfield. Ebrahim Jan has never been registered at 34A Shrubbery Road and you did not disclose living with any other friends. Council tax confirms that Ebrahim Jan is registered at 45 Coppice Way however no information has been disclosed about you.
- I have looked through the bank statements that you provided me with and your only incoming money is a bank transfer from Dr Jan. There is no proof of any rent being paid neither is there any evidence of any other transactions

I therefore have no reason to believe that you have had settled accommodation at any of the addresses that you have provided, meaning that you have no ties within the UK.

We advise that you have the right to seek independent legal advice. You can contact The Citizen Advice Bureau.

RIGHT TO REVIEW - HOUSING ACT 1996 S.202

You have a right to a review of this decision. If you are unhappy with this decision you should tell us why within 21 days of receipt of the decision. We would prefer you to tell us in writing, either in your own words or by completing the attached form.

Please give us all your reasons and any information that you think should be taken into account. Any such request must be made within 21 days of receipt of this notice and should be sent to Wychavon District Council, Civic Centre, Queen Elizabeth Drive, Pershore. WR10 1PT.

Should you have any queries regarding this letter, or if there has been any change in your circumstances, please do not hesitate to contact me on telephone number 01386 565020.

Hi Ebbe,

The information that I provided in my housing application is, basically:

- I do a lot of travelling.
- Although I have been back and forth many times to the UK since around 2000, I have spent much more time staying with Ebbe after 2010.
- Since around 2010, I have lived parts of each years with Ebbe: (1) Westfield, (2) Drakes Broughton, (3) 45 Coppice
- The past years, I have spent more time in the UK compared to my time spent in Sweden. But I travel a lot in the world.
- I have always had my own bedroom while living with Ebbe on the three addresses.
- I never pay financial rent to Ebbe, but we help each other sort things out.
- I am not named on any tenancy.

So that you know what I have said to the Council.

Best,

T

Housing Triage Assistant.

Good evening (Ms. Kate Cottrill),

Thank you for speedily replying to my inquiry for (emergency) housing due to risk of homelessness in UK.

Beneath I will try to answer your question as well as possible in short time.

Benefits from Sweden are paid monthly into a bank account in Sweden, and therefore does not display on my UK bank account.

Yes, there are two payments into my UK bank account from Dr. E. Jan. Both transactions (£777 and £200) refer to partial payments of a personal loan by Dr. E. Jan from me. The loan total is £13 000. Dr. E. Jan has already paid back £977 of that total loan. I had lent essentially my savings to Dr. E. Jan to rescue Dr. E. Jan financially during his costly judicial divorce proceedings three years ago.

Yes, I have no relationship ties in Sweden because I have no real friends in Sweden. My last stay in Sweden was the first twelve days of February 2020 (February 1 to February 12).

Regarding my travels, I would like to again repeat that I do travel quite a lot. My primary objective in essentially all my travels is to find a Christian woman to marry. Because I am banned by ALL churches in Sweden, and because I am banned by essentially all churches in United Kingdom, it logically follows that my only potential to meet and communicate with a Christian woman on earth necessitates that I must travel to other nations to explore possibilities of finding any welcoming Christian community where subsequently I might be permitted to socialize. Please allow me to be absolutely clear with Wychavon District Council, that I have no personal future in neither Sweden nor in United Kingdom, because of the hostility and persecution by all churches in both UK and in Sweden. My personal future is in whatever country where I find the Christian woman of God's appointment whom I will marry. Because of the hostile banishments and persecution by the British churches, of course I have no future in Great Britain. But, I prefer to make culturally courteous UK my base, for now, until I can commence marital life with a Christian woman somewhere else on earth.

Regarding my travel history, I would advise that Wychavon District Council might want to request the exact dates of my entries and exits of UK directly from the Border Force of Home Office, as I personally do not keep a perfect record of those dates. They, however, do. For a broad overview of the whereabouts of my travels and my border crossings outside UK, you will be able to glean a sufficient understanding by reading the history of my public update of locality from the history of bi-monthly letters, here: http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf

No, I have never at any time of my life undertaken any paid work in United Kingdom. I have never held employment in UK. And, I have never received any benefits from UK.

Please let me know ASAP if you require further information.

Very best regards,

Hello Torsten,

Thank you for your response and for providing me with Dr Jan's email address.

I have taken a look through your bank statements however I do not see your benefit from Sweden being paid into your bank account. Can you please confirm where your money is paid to? It seems you income has been transactions from Dr Jan – can you please advise what these sums of money were for?

With regards to social housing and the furniture that you have in 45 Coppice Way – unfortunately you would not be allocated a property in such a short space of time. We would not be able to put a time limit on a move however it could take **several months** to be allocated a social housing property.

I understand from our previous conversation that you are Swedish however you do not have any ties there. Could you please confirm when you last travelled back to Sweden? I can see on your bank statement that there was a transaction from Heathrow on 20th March, where you travelling?

Since you have been resident in the UK, can you please advise if you have undertaken any paid work? – and if so when and what was your job?

Kind regards
Kate

Housing Triage Assistant.

Good afternoon (Ms. Kate Cottrill),

Thank you for the telephone call earlier today.

Attached are some of the documents which you had requested. I have communicated with the contracted tenant now, and am through him authorized to provide to you the document which confirms termination of tenancy contract with latest eviction date set at June 24 2020. The final date of eviction is set. Without anywhere else to house, the current furniture is currently sought to be sold off essentially as near-free on Ebay, as 45 Coppice Way is required to be emptied of personal belongings before June 24. If council housing is acquired, then E. Jan and/or I will have a place to live in. If council housing is acquired within the next week, then the furniture could be saved and moved into a council housing. If council housing is not acquired within the next week, then E. Jan and/or I will have no furniture left.

I tried to secure-log-in today to the social security in Sweden, who pays my approximately £700 monthly disability, but their website login was not working (presumably temporarily - just like Zoom is currently dysfunctional as of yesterday). Therefore, I cannot produce any document affirming my £700/month payment from Sweden. However, attached is a copy (in Swedish) of a reply from their HQ regarding my question if I can retain my Swedish social security benefit while obtaining social housing in the UK. Their condition is that (1) I do not have employment in UK, and (2) I must have intention to return to Sweden (There was no definition of "intent to return" so I assume the time perspective of a "intent to return" is open for individual interpretations.) There was a form that I might need to fill in with social security in Sweden, so I will take a look at that form if I can access it. I cannot adventure my social security income from Sweden, as Universal Credit in UK is not an option for my financial survival. So, from my perspective, I want agreement and consent by Sweden's social security.

The contracted tenant is Dr. Ebrahim Jan, and his email address is: jandoctor1@gmail.com

With regards to the information which we spoke about in your telephone call with me earlier today, I would like to affirm the following public information as very relevant to understanding my circumstantial position: http://www.kyrkor.be/Inhumane_Swedish_Pastors.pdf

Also, these links are relevant to understanding **the imprisonments of my person in other countries:**

<http://www.kyrkor.be/New-Zealand-Federal-Governments-satanic-church-lies.htm>

<http://www.kyrkor.be/the-morally-confused-Justin-Trudeau-in-Canada.htm>

http://www.kyrkor.be/satanic-Australian-Government-imbecils_2018.pdf

<http://www.kyrkor.be/Torsten-the-terrorist-and-sociopath-in-Australia.htm>

In circumstantial summary, I need to find a Christian Community somewhere on earth where I am permitted to communicate with women, because commencing a Christian heterosexual marriage between two consenting Christian adults is literally an absolute impossibility, as long as ALL churchianity communities globally forbid me to communicate with any woman. I am on disability benefit from Sweden because of my grief over involuntary relational solitude as single, and this grieving involuntary relational solitude as single is enforced globally by all leaders of churches, everywhere. The churches literally make me sick.

Please let me know ASAP if you require further information.

Good morning Torsten,

Many thanks for speaking with me this morning. I will need to make some investigations into the information provided on your registration before I am able to proceed.

Please can you send me a copy of the following documents:

- Photo ID (passport is sufficient)
- 2 months bank statements, I will need you to send over each page of your bank statements – this is so that we can look at the affordability of properties for you
- Evidence of the benefit that you are in receipt of from Sweden
- The tenancy agreement for 45 Coppice Way

I understand that you did not feel comfortable providing me with information regarding your friend Dr Jan however part of my inquiries will involve me speaking with him. Could you please provide me with either his telephone number or an email address that I can contact him on?

I look forward to your response.

Kind regards
Kate

A person from Wychavon Council called me **unscheduled** yesterday May 14 at 11:14 am, and the person asked some questions. At 11:30 am, the telephone call needed to end due to a scheduled activity. At 11:30 am, therefore, the telephone call terminated. The person informed that the person would call back either later in the afternoon or the next day. The person has yet not called again.

Would the person who called please **identify herself**, and call again.

Thank you.

Dear Housing Administrator,

Thank you for finally replying. I appreciate receiving a response from you.

Attached is a PDF with additional information pertaining to the URGENT nature of this situation. Of course there is more information which I could potentially provide, but the attached PDF letter to secretaries of state and West Mercia Police is hopefully sufficient information at this time.

Please do correspond, so that I might be able to fill in any gaps of information for you, if I assess that I might be able to assist with further information.
